For Immediate Release

Kansas City Chorus Only Women's Chorus to Perform at World Harmony Jamboree

Kansas City, MO, [date] – The Kansas City Chorus of Sweet Adelines International will perform as a part of the Barbershop Harmony Society's 2011 International Convention "World Harmony Jamboree" at 4:15 p.m., Thursday, July 7, at Kansas City's historic Folly Theatre. The Kansas City Chorus is honored to be representing Sweet Adelines International as the only women's chorus invited to perform at this international event. The World Harmony Jamboree is designed to showcase barbershop choruses and quartets from around the world including Great Britain, Sweden, New Zealand, Australia and the United States.

Tickets for this event are \$40.00 and can be purchased online at <http://barbershop.tix.com> , at the Harmony Marketplace and at the Folly Theatre. Ticket sales help support the growth of barbershopping worldwide through education in the barbershop style of singing and opportunities for travel to international barbershop events.

Stacy Schumacher, Kansas City Chorus director, said, *"Although the Barbershop Harmony Society's International Convention has been in Kansas City before, I know our visitors will be impressed with the addition of the Power & Light District and the Sprint Center which gives them even more corners and cubby-holes for quartet woodshedding. Being invited to share the stage with barbershoppers on the World Harmony Jamboree is quite an honor for the Kansas City Chorus and we look forward to singing for a packed house on July 7th!!"*

As the second oldest chapter of Sweet Adelines International, the Kansas City Chorus has a rich history of sharing its unique four-part a cappella harmony with the Kansas City community. More than 100 women who comprise the Kansas City Chorus enjoy opportunities for learning new music, continuing to develop vocal skills, cultivating life-long friendships, and the ultimate joy that comes from singing.

The Kansas City Chorus meets every Monday night at Metcalf South Mall from 7:00-10:00 pm. Find out more about the chorus at <http://www.kansascitychorus.com> .
